Acciona Construcción Polonia Participation in the Rights Issue

Dear Sirs,

Further to the resolution of the Extraordinary General Meeting of Mostostal Warszawa S.A. with its registered office in Warsaw (the "**Company**") of 30 October 2026 on increasing the share capital through the issue of up to 100,000,000 Series VI ordinary bearer shares with the pre-emptive rights of existing shareholders preserved (the "**Resolution**"), and the Company's announcement of 3 November 2026, we set out below our position on this matter.

We welcome the adoption of the Resolution the parameters of which refer to the fair value of the Company's shares as determined in the decision of the Polish Financial Supervision Authority of 23 October 2026. We see it as a key step towards the recapitalisation of the Company, whose financial situation continues to require this process to be completed without delay.

Acciona Construcción Polonia, acting as the majority shareholder of the Company holding 62.13% of the total number of shares and votes at the General Meeting, upholds its intention to participate, in principle, in the share capital increase of the Company, and to subscribe for up to its maximum size of 100,000,000 new shares, at the issue price of PLN 2.75 per share to allow the Company to raise PLN 275 million in gross proceeds thus bolstering the Company's equity and cash position.

Our intention rests on the issue being carried out in accordance with the Resolution at the price indicated above, subject to the Company's prior publication of an offering document within the meaning of the applicable regulations.

Yours faithfully,

For and on behalf of **ACCIONA Construcción Polonia, S.L.**
