

Disclaimer

This document (prepared on August 11, 2026) constitutes neither an offer nor a solicitation to buy or sell any security. It is for information purposes only. This document merely contains a non-binding expression of opinion on the investment instruments addressed and the market conditions at the time of publication of the document. Due to its content, which serves to provide general information, this document is not a substitute for personal and property-related advice when making investment decisions and does not convey the information that is fundamental to an investment decision and that is formulated in other sources, in particular in duly authorized prospectuses. The data used in this document alone and the statements made are based on sources that we consider to be reliable. However, we do not guarantee their accuracy or completeness. Opinion statements contained herein reflect the personal judgement of the author at a specific point in time. These opinions are subject to change at any time without notice. Any liability of the analyst or the institutions commissioning him for direct or indirect damages is excluded. This confidential report is only made available to a limited circle of recipients. Forwarding or distribution to third parties is only permitted with the authorization of East Value Research GmbH.

All applicable capital market rules relating to the preparation, content and distribution of research in the various national jurisdictions must be applied and complied with by both the supplier and the recipient. Distribution in the United Kingdom: The document is for distribution only to persons who are authorized persons or exempt persons within the meaning of the Financial Services Act 1986 or any enactment made under it or to persons described in Article 11(3) of the Financial Act 1986 (Investments Advertisements) (Exemptions) Order 1996 (as amended) and is not intended to be passed on, directly or indirectly, to any other person. Neither the document nor any copy thereof may be taken, transferred or distributed in the United States of America, Canada, Japan or any of their territories or possessions.

Notice pursuant to MiFID II:

This publication was not commissioned by anyone and is made available to East Value Research' subscribers for a fee as well as on certain specialized web portals, where users have to pay to access this report.

Sources of information:

The main sources of information for the preparation of this analysis are publications by the issuer and publicly available information from domestic and foreign media that East Value Research considers to be reliable. In addition, discussions were held with members of the management or the investor relations department of the company concerned in order to prepare the analysis. All prices of financial instruments quoted in this financial analysis are closing prices on the date stated in the analysis (or the previous day), unless another date is expressly stated. This publication is updated on occasions which East Value Research believes may be price-relevant. Reference is made in advance to the discontinuation of regular commentary on events in connection with the issuer (coverage).

Key principles and benchmarks of the value judgements contained in the document:

The valuations on which East Value Research's investment judgements are based are generally recognized and widely used methods of fundamental analysis, such as the DCF model, peer group comparisons, dividend discount model and, where appropriate, a sum-of-the-parts model.

Meaning of the investment judgement:

Buy: Based on our analysis, we expect the stock to appreciate and generate a total return of at least 10% over the next twelve months

Add: Based on our analysis, we expect the stock to appreciate and generate a total return between 0%- 10% over the next twelve months

Reduce: Based on our analysis, we expect the stock to cause a negative return between 0% and -10% over the next twelve months

Sell: Based on our analysis, we expect the stock to cause a negative return exceeding -10% over the next twelve months

The respective supervisory authority is:
